

Terms & Conditions

- 1) The Service: NorseNet will provide a broadband service into specified areas of Orkney, But not limited too.
- 2) Connection Costs: The standard connection charge is £250 (including VAT) for all users except Large Business for whom higher install fee maybe required. A re-installation fee of £100 will be charged for all premises that have not had a continuous live service.
- 3) Subscription: Subscription to the service is payable monthly in advance by Direct Debit. All subscribers are required to set up a Direct Debit with their bank to pay this amount from the day of connection. The Direct Debit form shall be completed and signed prior to the date of connection. We will charge your initial month on a pro rata basis and future payments will be taken on the 1st of the month.
- 4) Alteration to Subscription: NorseNet may alter the monthly subscription at any time, and will give one month's notice of such a change to all subscribers.
- 5) Termination by Subscriber: Subscribers are required to give one month's notice to terminate their service. Should a subscriber terminate their service before the initial twelve month period expires they will be liable for the outstanding balance. However they may take their service with them to a new property if it is within our area, if they move beyond our area they will not be liable for the balance.
- 6) Suspension or Termination by NorseNet: NorseNet may suspend or terminate the service to an individual subscriber immediately and without notice if the service is misused in any of the following ways:
 - a) Use without payment
 - b) Abuse of equipment owned by NorseNet
 - c) Misuse of network equipment
 - d) Fraudulent use, or use in connection with a criminal offence
 - e) Transfer of any material in breach of copyright, privacy or other rights

7) Reconnection: In the event that the service is disconnected for reasons of misuse or non-payment as described above, there will be a reconnection charge of £100.

8) IP address: NorseNet will provide an Static IP address to Businesses for an additional £5 per month.

9) Network Monitoring: There is no monthly download limit currently imposed, but NorseNet reserves the right to cap customers to a set download/ upload speed, if necessary to manage the shared bandwidth resource (which is finite). Individual monthly total download rates may be monitored for this purpose, and this purpose only. This will assess quantitative download/ upload data only, and all personal information beyond this base information will not be made available in any form. Customers may also be contacted by NorseNet in special cases of excessive bandwidth use. In special circumstances NorseNet also reserves the right to impose charges for extra download data over a given data limit.

10) Signal Relay: We reserve the right to use any Consumer Premises Equipment installation as part of a relay for other properties.

11) Mast and Power Hosting: Connection discounts as a result of hosting transmission stations and/or a power supply are restricted to our standard residential package only.

11) Faults and Maintenance:

a) The service cannot be guaranteed, but NorseNet will make best endeavours to ensure that faults on its own network or on its supplier's networks are rectified as soon as possible. As far as possible, notice will be given if any maintenance work will result in temporary loss of service.

b) Subscribers are responsible for their household antenna and the Ethernet cable linking it to their own equipment. If either is damaged in any way, the subscriber may be required to pay the cost of repair or replacement.

c) Improper installation or subsequent interference with household antenna may cause network problems, and NorseNet reserves the right to check all antennas on the network for the purposes of overall network efficiency, with relevant access permissions.

12) Compensation Policy: In the event that the service to a subscriber is down for a continuous period of 48 hours or more, consideration will be given to making a pro-rata repayment of subscription for that period.

Liability:

a) The Internet is separate from the broadband service provided and NorseNet will accept no responsibility for goods, services, information, software, or other materials obtained when using the Internet. NorseNet also accepts no responsibility for the actions of internet users connecting via its networks.

b) NorseNet has no liability of any sort for the acts or omissions of other providers of telecommunication services or for faults or failures of their networks and equipment.

c) NorseNet has no liability for any loss of revenue due to faults or loss of service.
